A57 Clinical characteristics – other
A65 Clinical studies
A79 Genetic testing and counselling
A83 Clinical care and clinical services
A94 Experimental therapeutics – preclinical
A101 Clinical therapeutics
A105 Author index
A111 Subject index

This abstract book has been produced by the BMJ Publishing Group from electronic files supplied by the authors. The abstracts have been formatted for consistency but not edited for content.

Every effort has been made to reproduce faithfully the abstracts as submitted. However, no responsibility is assumed by the publishers or organisers for any injury and/or damage to persons or property as a matter of product liability, negligence or otherwise, or from any use or operation of any methods, products, instruments, or ideas contained in the material herein. We recommend independent verification of diagnosis and drug dosages.
