

NATIONAL HOSPITAL
QUEEN SQUARE
 INSTITUTE OF NEUROLOGY
 LONDON, W.C.1

THE Medical School of the National Hospital provides postgraduate training in the various departments of neurology.

THE OUT-PATIENT PRACTICE is open at 10 o'clock every day (except Saturday). A fee of £2 2s. per month is charged for attending the Out-patient Department only.

THE IN-PATIENT PRACTICE is open at 10 o'clock and a limited number of **CLINICAL CLERKS** are appointed. Fees: three months, 15 gns.; six months, 28 gns.

Special courses of instruction are given each term and Clinical Demonstrations are given on Saturday mornings and Wednesday afternoons during term.

Applications should be made to the Dean of the Medical School, **MACDONALD CRITCHLEY**

MAIDA VALE HOSPITAL
for **NERVOUS DISEASES**

Founded 1866. Incorporated 1900.

NEUROLOGICAL
POSTGRADUATE TEACHING

MAIDA VALE HOSPITAL MEDICAL SCHOOL
 LONDON, W.9

Autumn Session—October to December

Winter Session—January to March

Spring Session—April to June

IN-PATIENT PRACTICE—Open to limited number of postgraduate clinical clerks. Clerks are attached to firms and opportunities are given for examining and writing up cases. Throughout term demonstrations and lectures are given in the departments of Neuro-pathology, Neuro-radiology and E.E.G.

OUT-PATIENT PRACTICE—Tuesdays and Thursdays, 10 a.m.

CLINICAL DEMONSTRATIONS—A course of twelve demonstrations is given during term, on Fridays at 5 p.m., by members of the visiting staff. These courses are advertised by "B.M.J." and "The Lancet."

For investigation into the treatment of RHEUMATOID ARTHRITIS

A number of steroids are being investigated for their effect in relieving the symptoms of rheumatoid arthritis and related conditions. Among those producing results which appear to

justify further investigation is pregnenolone— Δ^5 -pregnen-3 (β)-ol-20-one.

Pregnenolone B.D.H. is now available for physicians who are interested in investigating its value.
