# JOURNAL OF NEUROLOGGY NEUROSURGERY AND PSYCHIATRY

J Neurol Neurosurg Psychiatry: first published as on 1 March 1977. Downloaded from <http://jnnp.bmj.com/> on November 5, 2024 by guest. Protected by copyright.

Impact of computerised axial tomography on the management of posterior fossa tumours in childhood E. BOLTSHAUSER, H. HAMALATHA, D. N. GRANT, and K. TILL .....	page 209	Reticular reflex myoclonus: a physiological type of human post-hypoxic myoclonus M. HALLETT, D. CHADWICK, JANE ADAM, and C. D. MARSDEN .....	page 253
Value of computed tomography in the diagnosis of intracranial abscess M. D. M. SHAW and J. A. RUSSELL .....	page 214	Post-ischaeamic paraesthesiae in pellagrins B. S. BOMB, H. K. BEDI, and L. K. BHATNAGAR....	page 265
Preservation of singing in Broca's aphasia A. YAMADORI, Y. OSUMI, S. MASUHARA, and M. OKUBO .....	page 221	Some observations on SMON from Bombay N. H. WADIA .....	page 268
Alexia without agraphia associated with right occipital lesion GENJIRO HIROSE, TAKEO KIN, and EIJI MURAKAMI .....	page 225	Mediastinal paraganglioma causing spinal cord compression M. G. REYES, R. FRESCO, and M. E. BRUETMAN .....	page 276
A sensitive test for tactile extinction: results in patients with parietal and frontal lobe disease A. S. SCHWARTZ, PATRICIA L. MARCHOK, and R. E. FLYNN .....	page 228	Familial idiopathic cerebral calcifications FRANÇOIS BOLLER, MARIELLA BOLLER, and JAMES GILBERT .....	page 280
Electrical and mechanical responses in the platysma and in the adductor pollicis muscle: in normal subjects C. KRARUP .....	page 234	The place of ganglion or root alcohol injection in trigeminal neuralgia M. M. SHARR and J. S. GARFIELD .....	page 286
Electrical and mechanical responses in the platysma and in the adductor pollicis muscle: in patients with myasthenia gravis C. KRARUP .....	page 241	Severe head injuries in three countries B. JENNETT, G. TEASDALE, S. GALBRAITH, J. PICKARD, H. GRANT, R. BRAAKMAN, C. AVEZAAT, A. MAAS, J. MINDERHOUD, C. J. VECHT, J. HEIDEN, R. SMALL, W. CATON, and T. KURZE .....	page 291
Value of exchangeable electrolyte measurement in the treatment of myasthenia gravis MAIR CRITCHLEY, K. J. F. R. A. SHIELDS, and L. A. LI .....		Cytophotometric mapping of neuronal changes in senile dementia D. M. A. MANN, P. O. YATES, and C. M. BARTON .....	page 299
		Presenile dementia presenting as aphasia ADAM F. WESCHLER .....	page 303
		Book reviews .....	page 306
			page 312
