

Contents

- Analysis of evoked lumbosacral potentials in man J. DELBEKE, A. J. MCCOMAS, AND S. J. KOPEC *page 293*
- Clinical and electrophysiological appraisal of the significance of radicular injury in back pain M. A. FISHER, A. J. SHIVDE, C. TEIXERA, AND L. S. GRAINER *page 303*
- Metabolism of immunoglobulin A, lymphocyte function, and histocompatibility antigens in patients on anticonvulsants R. A. SHAKIR, P. O. BEHAN, H. DICK, AND D. G. LAMBIE *page 307*
- Growing fractures of the skull DEREK KINGSLEY, KENNETH TILL, AND RICHARD HOARE *page 312*
- Tension pneumocephalus complicating ventriculoperitoneal shunt for cerebrospinal fluid rhinorrhoea: case report K. IKEDA, M. NAKANO, AND E. TANI *page 319*
- Clinicopathological study of Refsum's disease with particular reference to fatal complications INGRID V. ALLEN, M. SWALLOW, N. C. NEVIN, AND D. MCCORMICK *page 323*
- Influence of dietary myoinositol on nerve conduction and inositol phospholipids in normal and diabetic rats J. G. R. JEFFERYS, K. P. PALMANO, A. K. SHARMA, AND P. K. THOMAS *page 333*
- Systemic vascular responses to increased intracranial pressure. 3 Effects of individual balloon inflations on intracranial pressure and the systemic circulation WILLIAM FITCH, D. GORDON MCDOWALL, GORDON M. PATERSON, AND WILLIAM R. HAIN *page 340*
- CSF hydrodynamic studies in man. 2 Normal hydrodynamic variables related to CSF pressure and flow JAN EKSTEDT *page 345*
- Language laterality assessed by unilateral ECT and dichotic monitoring GINA GEFFEN, ELIZABETH TRAUB, AND INEKE STIERMAN *page 354*
- Clinical aspects of spasmodic dysphonia M. J. AMINOFF, H. H. DEDO, AND K. IZDEBSKI *page 361*
- Neuropsychological syndrome in a patient with episodic howling and violent motor behaviour GAYLE G. MARSH *page 366*
- Diagnosis of subdural haematoma by computed axial tomography: use of xenon inhalation for contrast enhancement E. ZILKHA, B. E. KENDALL, L. LOH, R. HAYWARD, E. W. RADUE, AND G. S. INGRAM *page 370*
- Sectorial optic atrophy and homonymous, horizontal sectoranopia: a lateral choroidal artery syndrome? L. FRISÉN, L. HOLMEGAARD, AND M. ROSENCRANTZ *page 374*
- Hemiplegia and the billowing mitral leaflet syndrome G. S. HIRSOWITZ AND D. SAFFER *page 381*
- Spinal cord necrosis after intrathecal injection of methylene blue M. M. SHARR, R. O. WELLER, AND J. G. BRICE *page 384*
- Book reviews *page 387*
- Notices *page 388*
