

Journal of Neurology, Neurosurgery, and Psychiatry

September 1981 Vol. 44 No. 9

Contents

Speech disorders of Parkinsonism: a review EMR CRITCHLEY *page 751*

The pathogenesis of pneumatic tourniquet paralysis in man STEPHEN K YATES, LAWRENCE N HURST, AND WILLIAM F BROWN *page 759*

Relative preservation of lumbrical versus thenar motor fibres in neurogenic disorders SK YATES, R YAWORSKI, WF BROWN *page 768*

Tri-cresyl phosphate neuropathy in Sri Lanka: a clinical and neurophysiological study with a three year follow up NIMAL SENANAYAKE *page 775*

Adrenoleucodystrophy: Neurophysiological aspects A BATTAGLIA, ANN HARDEN, G PAMPGILIONE, PJ WALSH *page 781*

Platelet monoamine oxidase activity and headache VIVETTE GLOVER, R PEATFIELD, ROSEMARY ZAMMIT-PACE, JULIA LITTLEWOOD, M GAWEL, F CLIFFORD ROSE, M SANDLER *page 786*

Cerebrospinal fluid amino acid concentrations in patients with viral and tuberculous meningitis RN CORSTON, EHF MCGALE, C STONIER, EC HUTCHINSON, GM ABER *page 791*

Evoked potentials in severe head injury—analysis and relation to outcome KW LINDSAY, J CARLIN, I KENNEDY, J FRY, A MCINNES, GM TEASDALE *page 796*

The role of two-dimensional echocardiography in the detection of potentially embolic intracardiac masses in patients with cerebral ischaemia RM DONALDSON, RW EMANUEL AND CJ EARL *page 803*

Comparative clinical trial of epsilon aminocaproic acid and tranexamic acid in the prevention of early recurrence of subarachnoid haemorrhage UPENDRA M CHOWDHARY, KAMALUDDIN SAYED *page 810*

Metoprolol and propranolol in essential tremor: a double-blind, controlled study S CALZETTI, LJ FINDLEY, MA GREY, E PERUCCA, A RICHENS *Page 814*

Cerebellar astrocytomas in children and young adults CHARLES H DAVIS AND VIJAY M JOGLEKAR *page 820*

SHORT REPORTS

Physiological observations in Sydenham's chorea MARK HALLETT, CHARLES KAUFMAN *page 829*

Cerebral compression by myeloma RJ STARK, RA HENSON *page 833*

Electromyographic investigation of the diaphragm and intercostal muscles in tetraplegics JR SILVER, RP LEHR *page 837*

Dyspnoea during generalised spasms in tetraplegic patients JR SILVER, RP LEHR *page 842*

Asymmetry of the aura and pain in migraine RC PEATFIELD, MJ GAWEL, F CLIFFORD ROSE *page 846*

HLA antigens in multiple sclerosis amongst Indians NH WADIA, VS TRIKANNAD, PR KRISHNASWAMY *page 849*

LETTER

Speech disorder in Parkinsonism: use of delayed auditory feedback in selected cases AW DOWNIE, JM LOW AND DD LINDSAY *page 852*

MATTERS ARISING

Myotonic dystrophy and thymoma LANE CARLIN AND JOSE BILLER *page 852*

Book Reviews *page 854*
