

INDEX OF AUTHORS AND SUBJECTS

AUTHORS

B

- Barnes, R , Doupe, J , and Kerr, A S :** Studies in Denervation—H. The Effect of Electrical Stimulation on the Circulation and Recovery of Denervated Muscle. 136.
Bell, Julia, and Martin, J Purdon : A Pedigree of Mental Defect showing Sex-Linkage. 154.
Brain, W. Russell, Greenfield, J. G., and Northfield, D. W. C. : A Case of Atypical Lindau's Disease. 32.

C

- Cullen, C. H., and Doupe, J. :** Inflammation and Trophic Ulcers in Denervated Areas. 112.
Cullen, C. H., Doupe, J., and Macaulay, L. J. : The Circulation in the Skin of the Proximal Parts of the Limbs. 129.

D

- Davies, Hugh, and Falconer, Murray A. :** Ventricular Changes after Closed Head Injury. 52.
Doupe, J. : Studies in Denervation—A. Methods. 94.
Doupe, J. : Studies in Denervation—B. The Circulation in Denervated Digits. 97.
Doupe, J. : Studies in Denervation—D. The Mechanism of Axonal Vasodilatation. 115.
Doupe, J. : Studies in Denervation—E. Observations concerning Adrenaline. 121.
Doupe, J. : Studies in Denervation—I. The Contractility and Excitability of Denervated Muscle. 141.
Doupe, J., Barnes, R., and Kerr, A. S. : Studies in Denervation—H. The Effect of Electrical Stimulation on the Circulation and Recovery of Denervated Muscle. 136.
Doupe, J., and Cullen, C. H. : Studies in Denervation—C. Inflammation and Trophic Ulcers in Denervated Areas. 112.
Doupe, J., Cullen, C. H., and Macaulay, L. J. : Studies in Denervation—F. The Circulation in the Skin of the Proximal Parts of the Limbs. 129.
Doupe, J., and Sharp, M. E. : Studies in Denervation—G. Sebaceous Secretion. 133.

E

- Eysenck, H. J. :** Suggestibility and Hysteria. 22.

F

- Falconer, Murray A., and Davies, Hugh :** Ventricular Changes after Closed Head Injury. 52.

G

- Glees, P. :** Siderosis of the Globus Pallidus in a Monkey. 92.
Greenfield, J. G., Brain, W. Russell, and Northfield, D. W. C. : A Case of Atypical Lindau's Disease. 32.

J

- Jacobs, Betty :** The Psycho-Somatic Syndrome of Spurious Pregnancy after the Menopause. 17.

K

- Kerr, A. S., Doupe, J., and Barnes, R. :** Studies in Denervation—H. The Effect of Electrical Stimulation on the Circulation and Recovery of Denervated Muscle. 136.

M

- Macaulay, L. J., Doupe, J., and Cullen, C. H. :** Studies in Denervation—F. The Circulation in the Skin of the Proximal Parts of the Limbs. 129.
Martin, J. Purdon, and Bell, Julia : A Pedigree of Mental Defect showing Sex-Linkage. 154.

SUBJECTS

A

Adrenaline, Observations concerning. J. Doupe. 121.
 Ala nasi, Erosion of the, following trigeminal denervation. J. Schorstein. 46.
 Apperceptive blindness in Lissauer's dementia paralytica. Mary T. Paterson and E. Stengel. 83.
 Atypical Lindau's disease, A case of. W. Russell Brain, J. G. Greenfield, and D. W. C. Northfield. 32.
 Axonal vasodilatation, The mechanism of. (Studies in Denervation—D.) J. Doupe. 115.

B

Blindness, Apperceptive, in Lissauer's dementia paralytica. Mary T. Paterson and E. Stengel. 83.
 British Neurological Surgeons, Society of. 158.

C

Case of atypical Lindau's disease, A. W. Russell Brain, J. G. Greenfield, and D. W. C. Northfield. 32.
 Cerebrospinal fluid in closed head injuries, Some observations on the. J. H. Paterson. 87.
 Changes, Ventricular, after closed head injury. Hugh Davies and Murray A. Falconer. 52.
 Circulation, The, in denervated digits. (Studies in Denervation—B.) J. Doupe. 97.
 Circulation in the skin of the proximal parts of the limbs, The. (Studies in Denervation—F.) J. Doupe, C. H. Cullen, and L. J. Macaulay. 129.
 Circulation and recovery of denervated muscle, The effect of electrical stimulation on the. (Studies in Denervation—H.) J. Doupe, R. Barnes, and A. S. Kerr. 136.
 Closed head injuries, Some observations on the cerebrospinal fluid in. J. H. Paterson. 87.
 Closed head injury, ventricular changes after. Hugh Davies and Murray A. Falconer. 52.
 Contractility and excitability of denervated muscle, The. (Studies in Denervation—I.) J. Doupe. 141.
 Current journals, Epitome of. 69 and 162.
 Cyst formation, Spontaneous ventricular rupture in hydrocephalus, with subtentorial, Joe Pennybacker and Dorothy S. Russell. 38.

D

- Defect, A pedigree of mental, showing sex-linkage. Julia Bell and J. Purdon Martin. 154.
 Dementia paralytica, Apperceptive blindness in Lissauer's. Mary T. Paterson and E. Stengel. 83.
 Denervated areas, Inflammation and trophic ulcers in. (Studies in Denervation—C.) J. Doupe and C. H. Cullen. 112.
 Denervated digits, The circulation in. (Studies in Denervation—B.) J. Doupe. 97.
 Denervated muscle, The contractility and excitability of. (Studies in Denervation—I.) J. Doupe. 141.
 Denervated muscle, The effect of electrical stimulation on the circulation and recovery of. (Studies in Denervation—H.) J. Doupe, R. Barnes, and A. S. Kerr. 136.
 Denervation, Erosion of the ala nasi following trigeminal. J. Schorstein. 46.
 Disease, A case of atypical Lindau's. W. Russell Brain, J. G. Greenfield, and D. W. C. Northfield. 32.

E

- Effect of electrical stimulation on the circulation and recovery of denervated muscle, The. (Studies in Denervation—H.) J. Doupe, R. Barnes, and A. S. Kerr. 136.
 Electrical stimulation, The effect of, on the circulation and recovery of denervated muscle. (Studies in Denervation—H.) J. Doupe, R. Barnes, and A. S. Kerr. 136.
 Epitome of current journals. 69 and 162.
 Erosion of the ala nasi following trigeminal denervation. J. Schorstein. 46.
 Excitability of denervated muscle, The contractility and. (Studies in Denervation—I.) J. Doupe. 141.

G

- Globus pallidus in a monkey, Siderosis of the. P. Glees. 92.

H

- Head injuries, Some observations on the cerebrospinal fluid in closed. J. H. Paterson. 87.
 Head injury, Ventricular changes after closed. Hugh Davies and Murray A. Falconer. 52.
 Hydrocephalus, Spontaneous ventricular rupture in, with subtentorial cyst formation. Joe Pennybacker and Dorothy S. Russell. 38.
 Hysteria, Suggestibility and. H. J. Eysenck. 22.

I

- Inflammation and trophic ulcers in denervated areas. (Studies in Denervation—C.) J. Doupe, and C. H. Cullen. 112.
 Injuries, Some observations on the cerebrospinal fluid in closed head. J. H. Paterson. 87.
 Injury, Ventricular changes after closed head. Hugh Davies and Murray A. Falconer. 52.

J

- Journals, Epitome of current. 69 and 162.

L

- Limbs, The circulation in the skin of the proximal parts of the. (Studies in Denervation—F.) J. Doupe, C. H. Cullen, and L. J. Macaulay. 129.
 Lindau's disease, A case of atypical. W. Russell Brain, J. G. Greenfield, and D. W. C. Northfield. 32.
 Lissauer's dementia paralytica, Apperceptive blindness in. Mary T. Paterson and E. Stengel. 83.

M

- Mechanism of axonal vasodilatation, The. (Studies in Denervation—D.) J. Doupe. 115.
 Meeting of Society of British Neurological Surgeons on 8th May, 1943. 158.
 Menopause, The psycho-somatic syndrome of spurious pregnancy after the. Betty Jacobs. 17.
 Mental defect showing sex-linkage, A pedigree of. Julia Bell and J. Purdon Martin. 154.
 Methods. (Studies in Denervation—A.) J. Doupe. 94.
 Monkey, Siderosis of the globus pallidus in a. P. Glees. 92.
 Muscle, The contractility and excitability of denervated. (Studies in Denervation—I.) J. Doupe. 141.
 Muscle, The effect of electrical stimulation on the circulation and recovery of denervated. (Studies in Denervation—H.) J. Doupe, R. Barnes, and A. S. Kerr. 136.

N

- Nasi, Erosion of the ala, following trigeminal denervation. J. Schorstein. 46.
 Neurological Surgeons, Society of British. Meeting on 8th May, 1943. 158.
 Neurotic constitution, The. A statistical study of two thousand neurotic soldiers. Eliot Slater. 1.
 Neurotic soldiers, A statistical study of two thousand. The neurotic constitution. Eliot Slater. 1.

O

- Observations on the cerebrospinal fluid in closed head injuries, Some. J. H. Paterson. 87.

P

- Pallidus, Siderosis of the globus, in a monkey. P. Glees. 92.
 Paralytica, Apperceptive blindness in Lissauer's dementia. Mary T. Paterson and E. Stengel. 83.
 Pedigree of mental defect showing sex-linkage, A. Julia Bell and J. Purdon Martin. 154.
 Pregnancy, The psychosomatic syndrome of spurious, after the menopause. Betty Jacobs. 17.
 Proximal parts of the limbs, The circulation in the skin of the. (Studies in Denervation—F.) J. Doupe, C. H. Cullen, and L. J. Macaulay. 129.
 Psychosomatic syndrome of spurious pregnancy after the menopause, The. Betty Jacobs. 17.

R

- Recovery of denervated muscle, The effect of electrical stimulation on the circulation and. (Studies in Denervation—H.) J. Doupe, R. Barnes, and A. S. Kerr. 136.
 Rupture in hydrocephalus, Spontaneous ventricular, with subtentorial cyst formation. Joe Pennybacker and Dorothy S. Russell. 38.

S

- Sebaceous secretion. (Studies in Denervation—G.) J. Doupe and M. E. Sharp. 133.
 Sex-linkage, A pedigree of mental defect showing. Julia Bell and J. Purdon Martin. 154.
 Siderosis of the globus pallidus in a monkey. P. Glees. 92.
 Skin of the proximal parts of the limbs, The circulation in the. (Studies in Denervation—F.) J. Doupe, C. H. Cullen, and L. J. Macaulay. 129.
 Society of British Neurological Surgeons. Meeting on 8th May, 1943. 158.
 Spontaneous ventricular rupture in hydrocephalus, with subtentorial cyst formation. Joe Pennybacker and Dorothy S. Russell. 38.
 Spurious pregnancy after the menopause, The psycho-somatic syndrome of. Betty Jacobs. 17.
 Statistical study of two thousand neurotic soldiers, A. The neurotic constitution. Eliot Slater. 1.
 Stimulation, The effect of electrical, on the circulation and recovery of denervated muscle. (Studies in Denervation—H.) J. Doupe, R. Barnes, and A. S. Kerr. 136.
 Subtentorial cyst formation, Spontaneous ventricular rupture in hydrocephalus, with. Joe Pennybacker and Dorothy S. Russell. 38.
 Suggestibility and hysteria. H. J. Eysenck. 22.
 Surgeons, British Neurological, Society of. Meeting on 8th May, 1943. 158.
 Syndrome of spurious pregnancy after the menopause, The psycho-somatic. Betty Jacobs. 17.

T

- Trigeminal denervation, Erosion of the ala nasi following. J. Schorstein. 46.
 Trophic ulcers in denervated areas, Inflammation and. (Studies in Denervation—C.) J. Doupe and C. H. Cullen. 112.
 Two thousand neurotic soldiers, A statistical study of. The neurotic constitution. Eliot Slater. 1.

U

- Ulcers in denervated areas, Inflammation and trophic. (Studies in Denervation—C.) J. Doupe and C. H. Cullen. 112.

V

- Vasodilatation, The mechanism of axonal. (Studies in Denervation—D.) J. Doupe. 115.
 Ventricular changes after closed head injury. Hugh Davies and Murray A. Falconer. 52.
 Ventricular rupture in hydrocephalus, Spontaneous, with subtentorial cyst formation. Joe Pennybacker and Dorothy S. Russell. 38.
