Correction: Adverse pregnancy outcomes in women exposed to gabapentin and pregabalin: data from a population-based study

Mostacci B, Poluzzi E, D'Alessandro R On behalf of the ESPEA Study Group, *et al.* Adverse pregnancy outcomes in women exposed to gabapentin and pregabalin: data from a population-based study. *J Neurol Neurosurg Psychiatry* 2018;89:223-224.

In this published letter the following sentences should have read 'Among 11 newborns exposed to GBP only, 6 were born preterm (54.5% vs 14%), and 3 were SGA (27.3% vs 7%-OR=4.98, CI 95%=1.32 to 18.76, p=0.018). The following sentence also should have read 'Among the 16 newborns exposed to PGB only, 4 were born preterm (25% vs 14%) and 1 was SGA (6.3% vs 7%- OR=0.88, CI 95%=0.12 to 6.70; p=0.905).
