

Correction: Discontinuing disease-modifying therapy in MS after a prolonged relapse-free period: a propensity score-matched study

Kister I, Spelman T, Alroughani R, *et al.* Discontinuing disease-modifying therapy in MS after a prolonged relapse-free period: a propensity score-matched study. *J Neurol Neurosurg Psychiatry* 2016;87:1133-7. doi: 10.1136/jnnp-2016-313760

In this article there was a discrepancy between the text and figure 1A and B. The published version is based on preliminary analyses based on 1:1 match, while they present results of our final analysis based 1:2 propensity score match. The correct version of figure 1A and B are below.
