## EDITORIAL NOTICES

THE EDITORIAL COMMITTEE will welcome original articles for publication in the JOURNAL. They should be addressed to *Dr. Kinnier Wilson, 14 Harley Street, London, W.1 (Neurology)*; *Dr. Bernard Hart, 94 Harley Street, London, W.1 (Psychopathology)*; or to any other member of the Editorial Committee. The Copyright of papers appearing becomes the property of the JOURNAL unless the authors state before publication that they reserve the rights to themselves.

They also invite correspondence, criticisms, and suggestions from readers, which may aid in the development of the JOURNAL.

*Contributions* should be as concise as possible, and be forwarded at least six weeks before the date of publication. Papers are best type-written, and carefully revised, since alterations in type are costly. References should be made in the following order:—year—volume—page—and be inserted in brackets in the text where they occur, thus: (Barr. Med. Jour., 1912, ii, 579), or given in order at the end of the paper. Where practicable, articles should conclude with a short summary of their contents.

*Illustrations.*—These, whether plain or coloured drawings, or photographs, should be rendered as perfectly as possible. The Publishers undertake the preparation of the blocks, but not of the originals.

*Reprints.*—Owing to the present abnormal costs of production, free reprints of articles cannot be given until further notice. If desired they may be obtained by payment, but notice must be given when the proof is returned.

*Subscriptions.*—30/- net, post free; single numbers, 8/6 net.

*Business Communications* and applications for *Advertisement Space* should be addressed:—

THE FINANCIAL SECRETARY AND BUSINESS MANAGER,  
British Medical Association,  
B.M.A. House, Tavistock Square, London, W.C.1.

# EPILEPSY

**BROMIDE** "First place must be assigned to Bromide: despite later novelties, the sterling properties of the drug can never be forgotten.

**GELINEAU DRAGEES**  
Brand (Pot. Brom.; Antim. Arsen; Picrotoxin)

There are many preparations on the market whose staple ingredient is simply one or other salt of Bromide. Of such remedies the dragees of Gelineau have in my experience seemed the best."
